### Sports badge – Certificate booklet

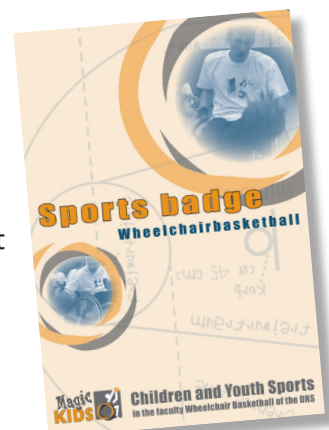

#### General information

The sports badge wheelchair basketball is granted by the commission children's and youngster sports of the faculty wheelchair basketball within the German Wheelchair Sports Association e. V..

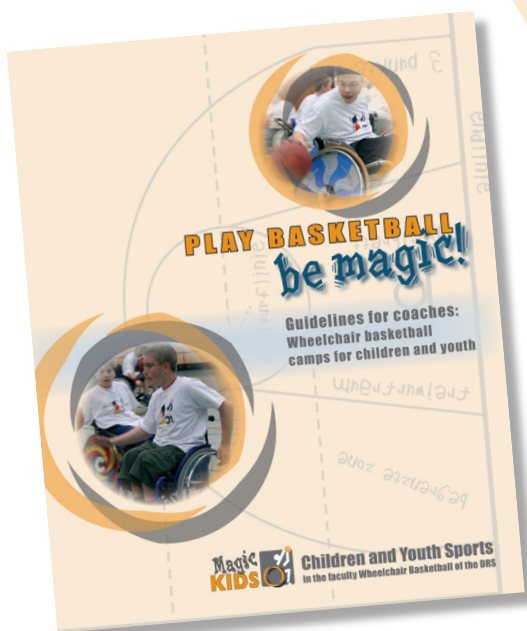

It is awarded for performance dedicated to good recreational and mass sports.

The sports badge wheelchair basketball is split into three development stages and should be an award for diverse abilities.

The requirements of the sports badge are identical for all age groups. Each sportsman receives a certificate booklet as well as the signature of the instructor for the successful participation in an exam
